PATTERSON MILL ATHLETIC BOOSTERS (PMAB)
MEMBERSHIP APPLICATION

Our Primary Goals For 2010-2011

1. **Uniform/equipment replacement:** Most uniforms are replaced on a 3 year rotation. The amount budgeted by HCPS is not enough to cover their replacement, so the school looks to the BOOSTERS for help. Next year, we anticipate the Athletic Department will request as much as $10,000 for uniform replacements.
2. **Scholarships for graduating student-athletes:** We want to continue to grow our newly established scholarship fund so we can award more scholarships to graduating student-athletes to help them with their college education expenses. See **NOTE:** below for important scholarship criteria.
